

SAVED WAY TO LIBERTY.

One-Armed Man Escapes From Henrico County Jail.

Richmond, August 23.—Sheriff L. H. Kemp, of Henrico county, has offered a reward of \$100 for the capture and return of the prisoner, Frank Woodward, who yesterday morning made his escape from the Henrico jail.

Sawing his way through three separate sets of bars and crawling over the bodies of two of his sleeping fellow-prisoners, Frank H. Woodward, alias Geo. Howard, who had been committed to Henrico jail by the United States authorities on a charge of operating a defrauding scheme through the mails, Wednesday night, made a complete getaway from the jail.

GERMANY'S CONDITION.

Bernstorff Says Country Has Plenty of Money.

Count von Bernstorff, the German Ambassador, arrived in Washington from New York yesterday after spending the summer in Germany.

"Is Germany in need of money to carry on the war?"

No. We have plenty of money for political purposes. The government does not need money. We are prepared fully in that way. The sending of money by the American Red Cross to care for the wounded and by the families of soldiers is another thing. It will help, although it may not be needed. Such practical sympathy is appreciated, of course."

SEA FIGHT WAGED IN FOG.

Cruisers Essex And Bremen Believed to Have Been in Conflict.

Philadelphia, August 23.—A naval battle, believed to have resulted disastrously for one or more participants, was fought yesterday five miles off Cape Henlopen. Beginning at 2 o'clock yesterday morning and lasting until nearly noon, a terrific cannonading was heard.

Wreckage floating ashore yesterday afternoon gave evidence of a severe fight, but there were no marks to give a clue to the identity of the battered warships. Spars and a portion of a ship's bow were cast upon the beach.

It is believed that the British warship Essex battled with the German cruiser Bremen. The Essex has been off the Delaware Breakwater for more than a week looking for the North German Lloyd steamer Brandenburg, which left here with stores for German warships. The Bremen was also reported by wireless to have been waiting for the Brandenburg.

The battle raged in a fog. Every once in a while the fog would lift, a flash would be seen followed by other flashes and then the muffled roar of ships cannon. Throughout the day the faint boom of guns could be heard, trailing off toward sundown from a distance which life-savers estimated to be about 10 miles out.

At one time a bright glare flared into the sky, which life-savers say was due to a fire on one of the battleships, probably a magazine explosion.

Can any body tell us who is representing the Booze people?

DAILY GAIN IN WEIGHT

Comes to Those Who Use Samose.

Says Druggist, Leadbeater And Sons.

The poor, thin, emaciated person, when he or she becomes plump, rosy and robust by using Samose, forgets that there is such a thing as weakness and underweight.

Samose restores health to the whole system so that the tissues assimilate from the food all of those elements which make solid bone, firm muscle, pure blood, and sufficient fat to restore beautiful and symmetrical outlines to the figure.

An increase in weight is seen from the first week's use of Samose, but if it does not restore you to your proper weight and give you full vigor and vitality, Druggists E. S. Leadbeater & Sons will return your money. You certainly can afford to try Samose on this guarantee. E. S. Leadbeater & Sons.
